

# Harbour Village

Harbour Village Beach Club is Bonaire's premier resort, set in beautiful tropical gardens, one mile north of Kralendijk. Harbour Village has uniquely combined Bonaire's unpretentious, peaceful atmosphere with unobtrusive luxury. The resort faces the ocean, bordered on one side by a marina,

with only the white-sand beach, with only the white-sand beach, separated by palm trees, separating the suites from the Caribbean Sea. Harbour Village's unrivalled quality is evident in the excellent accommodation with high quality furnishings, numerous amenities and first class customer service.

## Accommodation

All ground or first floor and buildings are colonial Caribbean style. **Sixteen Club Rooms:**

**Courtyard Rooms:** beautifully appointed rooms, nautical theme, with Italian tiled bathroom - two doubles or king size bed, air conditioned, telephone, cable TV, safe, small fridge, hairdryer. Marina Front Rooms are the same as Courtyard rooms with a marina view.
